To Whom It May Concern:

DAMAGE ARISING FROM TOHOKU EARTHQUAKE

We express our heartfelt sympathy to all persons affected by the Tohoku Earthquake. We pray for the earliest possible recovery of the devastated area.

We hereby announce our status after the earthquake, as follows.

Notes

1. Status of employees

We are now confirming the safety of our employees and their families. So far we have not received any information on casualties among our employees.

2. Status of facilities and construction site

No major damage has occurred to buildings or facilities owned by IIW and construction site.

3. Impact on business performance

There are currently no impacts of the earthquake on business performance.

In the event that a significant impact on business performance is foreseen, a report will be made at the earliest possible time.
